CONFIDENTIAL

that operations have been resumed since the liberation.

3. SALTELIES A DOOM PLATT

Are located at Inkarac, southeast of Gracinica. This was a large undertaking, owned by the State before World War II. Exact figures of production are unknown to me.

li. Aluinui plin

A large cluminum plant is located a few miles north of Split. Prior to World War II, this plant was owned by the French company, "La Dalmetienne". Figures of production are not imoun to me
